LOST HER SPEECH.

The annexed certificate tells a simple and truthful story of suffering and relief. There are thousands of similar cases in this city and Brooklyn, and yet there are thousands of parents who let their children die for fear of being humburged, or to save a few shillings:

Basonkin, September 13, 1847.

Da. Townskin: I take pleasure in stating, for the benefit of those whom it may concern, that my daughter, two years and six months old, was afflicted with general debility and loss of speech. She was given up as past recovery by our family physician; but fortunately I was recommended by a friend to they our arrasparilla. Before having used one bottle she recover to the repects and was enabled to walk alone, to the assonishmen of all who were acquisinted with the circumstances. She is now quite well and in much better health than she has been for eighteen months past.

JOSEPH TAYLOM, 128 York st., Brooklyn.

TWO CHILDREN SAVED.

Very few families, indeed—in fact we have not heard of one—that used Dr. Townsend's Sarsaparilla in time, lost any children the past summer, while those that did not, sickened and died. The certificate we publish below is conclusive evidence of its value, and is only another instance of its saving the lives of children:

stance of its saving the lives of children:

MYRTLE AVENUE, BROOKLYN, Sept. 18, 1847.

DR. TOWNSEND: Dear sir—I had two children cured by your Barasparills of the summer complaint and dysentery; one was only fifteen anonthe old, and the other three years. They were very much reduced, and we expected they would die; they were given up by two respectable physicians. When the doctor informed us that we must lose them, we resolved to try your Sarasparilla we had heard so much of, but had little confidence, there being as much staff advertised that is worthless; but we are very thankful that we did, for it andoubtedly saved the lives of both. I write this that others may be induced to use it.

Yours, respectfully,

This is only one of more than four thousand cases of rheumatism that Dr. Townsend's Sarsaparilla has cured. The most severe and chronic claises are weekly eradicated by its extraordinary virtues:

BLACKWELL'S BLAND, Sept. 14, 1847.

Dr. Townsend: Dear Sir: I have suffered terribly for nine years with rheumatism; considerable of the time I could not cat, sleep, or work; i had the most distressing pains, and my, limbs were terribly swollen. I have used four bottles of your Sarsararilla, and they have done me more than one thousand dollars' worth of good—I am so much better: Indeed, I am entirely relieved. You are st liberty

COULD NOT WALK.

That Dr. Townsend's Sarsaparilla is the very best remedy for female compiants, there is no disputing. Thousands and thousands of weak and debilitated females, that were prostrated by those diseases to which females are subject, were soon in the enjoyment of robust health.

Dr. Townsend: Dear Sir: My wife has for the last year been very sick, and in a greatly reduced state of health, being reduced by a variety of complaints such as females are liable to. She got so bad at length, that she was entirely unable to walk, and was as helpless as a child. She commeaced using your Sarsaparilla, and she immediately began to regain her strength, her complaints left her, and after taking several bottles she is restored. Being a singular case, I have thought it might do good to publish it. She used a number of remedies that did her no good previously. Your, respectfully.

Dr. Townsame: My wife being greatly distressed by weakness and guarral doblity, and suffering continually by pain and with other difficulties, and having known cases where your medicine has effected great cures, and also hearing it recommanded for such cases at I have described. I obtained a bottle of your Extract of Sarsaparilla, and followed the directions you gave me. In a short period fremoved her complaints, and restored her to health. THE Married Woman's Private Medical Companion, by Dr. A. M. Mauriceau, professor of diseases of women, 3d edition, 18mo., pp. 250; price \$1. 25,000 copies sold in three months.

The great demand for this most important work (of which thousands are sold) has compelled the issue of another edition. It is intended especially for the married, as it discloses important secrets which should be known to them particularly. Here every female can discover the causes, symptoms, and the most efficient renedies and most certain modes of cure, in every complaint to which her sex is subject.

It is an important question to the married why it is that we behold so many married females sickly, debilitated, and prostrated, as also the causes, and whether they are susceptible of remedy. They will here find these important matters, connected with discoveries in medical and physicical science, which meet this question.

This work is destined to be in the hands of every wife and mother who has a regard for her own health and welfare, as well as that of her husband.

The revelations contained in its pages have already proved a blessing to thousands.

JONES'S Italian Chemical Soap.—Reader is your skin chapped or cracked? If so, a caske of the true and genuine Jones's Italian Chemical Soap will make it smooth, soft, white and fine.

Have you pimples or salt rheum? I have seen Jones's soap cure the worst and oldest cases, when every internal and external remedy failed.

Have you a sore beard or sore head? You are conscientiously assured that one cake will cure you. But do not suppose that the many counterfeits possess any of its qualities; many of the imitations of Jones's soap are nothing but common soap. Jones's soap is used by physicians.

But once more, reader, be careful of cheap counterfeits and imitations. See that the name of T. JONES is on the wrapper, and buy it nowhere else but at J. F. CALLAN'S,
